Greetings, this for the public record.

Please do not renew the following permits:

Eagle
Oil and Gas Company - Sheldon Dome Facility; NPDES Permit
No. WY-0020338,

Phoenix
Production Company - Sheldon Dome Field; NPDES Permit No. WY-0024953

WESCO Operating, Inc. - Tensleep #1 (also known as Winkleman Dome); NPDES Permit No. WY-0025232

With all due respect, and as a 20+ year Wyoming resident, articles like this simply break my heart. There is no way that a reasonable, caring entity – government or individual – can truly think this is a good idea, much less OK.

For the people of Wyoming, man, woman and child – indigenous or transplant - I implore you not to approve these permits and practices.

Thanks for your time and consideration.

Sincerely,

Mike May
